About “Lofts”
Many rooms have modular furniture. As such, not all room configurations are eligible for the construction of lofts. Please consider the following:

Some rectors restrict the construction of lofts.

If your room has modular furniture, you cannot construct a loft.

About Shipping
Packages/shipments sent to the University must arrive **after you check-in** to the residence hall. Packages that arrive earlier will not be accepted.

Here is the address format to use for a student in a residence hall:

Your Name  
University of Notre Dame  
Room #, Residence Hall  
Notre Dame, IN 46556

About Posters
Many students choose to hang pictures, posters, and other items on the walls of residence hall rooms. Please be advised that certain items may damage walls, including: Duct tape, Scotch tape, electrical tape, poster putty, adhesive squares, thumb tacks, and nails.

Damages to walls will be billed at the end of the year. **Masking tape** is the best option to avoid possible damage to walls.

Banking
There are many surcharge-free ATM’s conveniently located across campus, including the Main Building and LaFortune Student Center.

[1st Source Bank](http://www.1stsourcebank.com) and [Notre Dame Federal Credit Union](http://www.ndfcu.com) have locations on or near campus, and other institutions are located in the surrounding community.
