- Apply for Social Funds

History
Howard Hall was built in 1924, and was the first hall to be named after a lay professor, Timothy Howard. Howard was a male residence hall until 1987. Howard is the smallest women’s hall on campus, and is proud to be the home of the ducks. In 2015, Howard was renovated, marking an important new and beautiful chapter in Howard’s history!

Totter for Water is a 24 hour teeter-totter marathon to raise money for clean water projects. This year’s totter money went to Engineers Without Borders well building project. We raised over $3,000!

Howard Hallidays is a can’t miss outdoor Christmas celebration and tree decorating contest! This year the best tree was decided based on votes that cost a dollar each. All money raised went to Catholic Charities of South Bend.
